

WERCSmart at CVS/pharmacy_Join Us For a FREE One Hour User Training Webinar

Dear Valued CVS Supplier:

You recently received notice of a new and mandatory compliance initiative by CVS/pharmacy that will require action on your part. The notice letter is attached here for ease of reference.

To summarize, CVS/pharmacy has selected the WERCSmart solution offered by The Wercs Professional Services to help us manage regulatory compliance requirements for all chemicals, over-the-counter health products, pesticides, aerosols, batteries, and other hazardous-material products that you may sell to us. Your role in this process is to register your product and formulations with WERCSmart.

To help prepare you for the Registration Process, we have attached a **Product Registration Checklist**. Suppliers may need to gather the information necessary to complete the registration of a product from various departments within their company e.g. identification of formulation, safety data. **Use this list as a guide** when compiling information on your product prior to performing the product registration process.

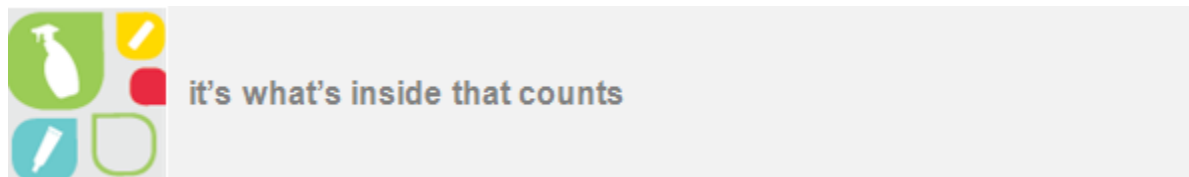

We strongly encourage our suppliers to sign up for a **FREE** one (1) hour WERCSmart Administrator and User Training Webinar. Each webinar covers:

- WERCSmart Retail Portal Landing Page
- My Home Page
- Registering a new product in WERCSmart
- Registering a battery-containing product in WERCSmart
- Creating and Registering a Kit in WERCSmart
- Enterprise Pricing Option

[CLICK HERE](#) to be redirected to the WERCSmart Administrator and User Training schedule.

- ❖ **Have a question regarding WERCSmart?** Use the Support or Chat links available on the WERCSmart site www.supplierwercs.com. Support is available during regular business hours, 8:00am to 5:00pm Eastern. The Chat feature is available based on availability of the customer service team, but support emails are available to you 24/7. The Wercs will try to respond to your support inquiry within the next business day.
- ❖ **Have a question regarding CVS's requirements related to the WERCSmart program or process?** Email the CVS WERCSmart team at wercsinfo@CVSCaremark.com
