Dear CVS Indiana LLC,

As of December 29, 2021, your license status was changed to **Valid to Practice While Reviewed** based on information the Board has received in connection with the 2021 renewal application. The Board is currently reviewing the information which will either result in the Board approving the renewal application or requesting a personal appearance before the Board. If you answered positive to one of the renewal questions and have not submitted your positive response information please do so as soon as possible to renewal4@pla.in.gov.

This letter verifies that the State of Indiana considers you **VALID TO PRACTICE** in the State of Indiana per IC 25-1-5-4(g) for an extended 120 day period beginning January 1, 2022. Once your information has been reviewed, your license will either be renewed or you will receive a personal appearance letter with the date and time of your scheduled personal appearance. You can check the status of your license anytime at www.pla.IN.gov

This letter may be presented to any employer/facility/business as proof of your current valid to practice status.

If you have any questions, you can contact us at (317) 234-2067 or via email at pla4@pla.IN.gov

Sincerely,

Jody Edens
Assistant Board Director
